

In this DVD we publish the country reports for volumes I, II, III, IV, V and VI of the research “Volunteering across Europe. Organisations, promotion, participation”, to facilitate its dissemination and use on the eve of the European Year of Volunteering 2011, firmly believing that mutual acquaintance and dialogue among volunteers and their organisations constitute essential tools for social innovation and the construction of a European identity for citizens and their movements.

The research is coordinated by:

Spes - Centro di Servizio per il Volontariato del Lazio

SPES – Volunteer Support Centre of the Lazio region

Via Liberiana 17

00185 Rome (RM) - Italy

Tel. +39.06.44702178
